### **AOU Participates in a Specialized Workshop on National Reporting Methodologies in Childhood Affairs – Saudi Arabia**

AOU participated in a workshop titled “Methodology for Preparing National Reports,” organized by the Prince Talal bin Abdulaziz Charitable Foundation in Riyadh on January 29, 2026. The workshop brought together around 25 experts from governmental, non-profit, and academic institutions concerned with child welfare and rights. During the opening, Princess Nouf bint Khalid bin Talal emphasized the importance of strengthening partnerships among stakeholders. The workshop aimed to enhance national reporting methodologies in line with international best practices and promote knowledge exchange to improve child-focused initiatives.

### **AOU Highlights the Role of Education in Achieving Sustainable Development – Kuwait**

The Governor of Al-Ahmadi, Sheikh Humoud Jaber Al-Ahmad Al-Sabah, met with University Director Dr. Salah Al-Hammadi and the Dean of the Faculty of Business Studies, Dr. Mohammed Al-Loghani. The meeting highlighted the university's role in delivering quality education, supporting research, and strengthening partnerships with local institutions to promote sustainable development.

### **AOU Participates in Media Qualification Course for Civil Entities at the National Guard – Kuwait**

The university participated in a one-week Media Qualification Course organized by the National Guard for civil entities. The program aimed to enhance media and communication skills, with participation from several university representatives across academic, administrative, and training sectors.

### **AOU Concludes Game Development Bootcamp in Collaboration with the National Council for Culture, Arts and Letters – Kuwait**

The university's Faculty of Computer Studies, in collaboration with the National Council for Culture, Arts and Letters, concluded an intensive Game Development Bootcamp in Kuwait. The program graduated a group of aspiring game developers, highlighting efforts to support young national talents and promote the growth of the digital gaming and creative technology sectors.

### **President of the Arab Open University Receives Delegation from the Royal Academy of Management to Discuss Joint Cooperation – Oman**

Professor Mohammed bin Hamdan Al-Badi, President of the Arab Open University, received a delegation from the Royal Academy of Management headed by Abdulaziz bin Mohammed Al-Raisi, Vice President for Institutional Affairs, to discuss opportunities for collaboration and joint development between the two institutions.
