AOU Celebrates Research and Innovation on Research Day – Oman

AOU launched its Research Day under the patronage of Hon. Dr. Abdullah bin Mohammed Al-Sarmi, Chairman of the Education and Research Committee at the State Council, with the participation of researchers, academics, and innovators. The event served as a scientific platform to promote a culture of research and innovation and showcase achievements that support development and Oman Vision 2040.

AOU Students Participate in the Lebanese Parliament – Lebanon

University students took part in the Parli Youth initiative, which aims to promote constructive dialogue between youth and Members of the Lebanese Parliament. This participation reflects the University's commitment to empowering students, enhancing their awareness of public and community issues, and developing their dialogue, critical thinking, and civic responsibility skills.

AOU Deans Conduct Inspection Visit to Follow Up on Exams – Kuwait

Dr. Afnan Al-Khaldi received the central deans from the University Headquarters during an inspection visit to follow up on the final exams. The visit included a tour of the examination halls and the Control Committee, where the delegation praised the efforts of all staff members involved.

AOU Eid Al-Adha Gathering for Staff – Saudi Arabia

The University held an Eid Al-Adha gathering for its staff, in the presence of University President Prof. Ali bin Mohammed Al-Shahrani, vice presidents, deans, and university employees across all branches in the Kingdom of Saudi Arabia. Attendees exchanged greetings and friendly conversations in an atmosphere filled with joy, happiness, and a strong sense of belonging as one university family.

Strategic Partnership between the University and Ebdaa Bank to Empower Youth and Support Innovation – Bahrain

Dr. Najma Taqi, University President, met with a delegation from Ebdaa Microfinance Bank, headed by Prof. Badr El-Din Abdelrahim Ibrahim, Acting CEO, to discuss ways to enhance cooperation and explore future initiatives. The partnership aims to support entrepreneurship, training, and the development of students' and graduates' skills.

AOU and O-Green Launch Solar Power Station – Oman

Under the patronage of H.E. Eng. Mohsin bin Hamad Al Hadhrami, Undersecretary of the Ministry of Energy and Minerals, the Arab Open University and O-Green celebrated the launch and completion of a solar power station on the university campus. The agreement was signed by Prof. Mohammed bin Hamdan Al-Badi, University President, and Sheikh Mustafa bin Mohammed Al-Hinai, CEO of O-Green, as part of Oman Sustainability Week.
