AOU receives a "Compliant with the National Framework Standards" judgment from the Education & Training Quality Authority – Bahrain

The Arab Open University in Bahrain received a judgment of "Compliant with the National Framework Standards" from the Education & Training Quality Authority. This recognition followed a thorough review of the university's academic and administrative practices, in collaboration with the Higher Education Council. The report highlighted key strengths such as the partnership with the UK Open University, strong internal and external auditing processes, academic and emotional support for postgraduate students, access to diverse learning resources, and tailored training workshops offered by the Learning Resources Center.

Launch of "Shu'lah 2025" Student Festival with Outstanding Activities – Oman

The "Shu'lah 3" Student Activities Festival was launched on April 14, 2025, at the university in Oman under the patronage of President Dr. Mohammed Al-Badi. The event featured enthusiastic participation from students, faculty, and staff. It began with a speech by Dr. Mousa Al-Shaeili, followed by literary performances, vocal presentations, and exciting visual displays.

AOU Held the Health, Safety, and Security Exhibition – Kuwait

AOU in Kuwait organized a Health, Safety, and Security Exhibition, featuring participation from health and safety sectors. The event aimed to offer basic health check-ups for staff and students, and was attended by senior university officials, including Prof. Mohammed bin Ibrahim Al-Zakari and Prof. Mohammed Al-Sayed.

AOU Announces Student Council Election Results – Jordan

AOU in Jordan held its first electronic student council elections, allowing students to elect their representatives in a transparent and fair democratic process. This milestone reflects the university's commitment to digital transformation and comes amid growing national focus on youth participation in shaping the future and decision-making.

AOU in Egypt Becomes the First Center for Managing Microsoft Student Activities in Egypt - Egypt

Based on the success of organizing the first official Microsoft activity at the university last year, this partnership crowns the Arab Open University – Egypt as the first center for managing Microsoft student activities in Egypt, reflecting its commitment to supporting innovation and enhancing students' digital skills.

AOU Participation in the Fourth "DIRASTY" Exhibition at the Exhibition Grounds – Kuwait

The university participated in the fourth "DIRASTY" exhibition, held under the patronage of the Minister of Education, His Excellency Engineer Sayed Jalal Al-Tabtabaei. The event included the participation of numerous higher education institutions and various public and private sector entities, attracting over 30,000 students from public and private high schools. Attendees included the University Director, Prof. Mohammed Sayed; Vice Director for Academic Affairs and Scientific Research, Dr. Salah Al-Hamadi; Dean of Linguistic Studies, Prof. Aziz Thabet; and Dean of the Faculty of Computer Studies, Dr. Issa Al-Harbi, along with university staff, students, and alumni.

AOU Organizes National Symposium – Jordan

AOU in Jordan organized a national symposium titled "No to Resettlement – No to an Alternative Homeland – Jerusalem is a Red Line," in support of the Palestinian cause and the positions of His Majesty King Abdullah II. Held via Zoom, the event saw strong participation from students, faculty, administrative staff, and the local community.

AOU in Kuwait Wins Third Place in the 16th Arab Robotics Championship in Tunisia – Kuwait

The university's team won third place in the SUMO Advanced category at the 16th Arab Robotics Championship held in the Republic of Tunisia, competing at the Arab world level. This achievement follows their first-place win in the same category at the Arab Robotics Competition held earlier in Kuwait.

Faculty of Education Organizes a Field Visit for Early Childhood Program Students to the Children's Library – Egypt

The Faculty of Education in Egypt organized a field visit to the Children's Library for Early Childhood Program students, aiming to connect theory with practice and highlight the library's role in developing children's reading and cultural awareness.

AOU Hosts Launch of the 8th National Debating Championship – Oman

AOU in Muscat hosted the opening rounds of the 8th National Debating Championship under the patronage of President Dr. Mohammed Al-Badi. Organized by the Ministry of Culture, Sports, and Youth in partnership with the Oman Debates Center, the event aims to enhance youth skills in persuasion, critical thinking, and promoting constructive dialogue.
