AOU Signs MoU with Inmind Academy to Strengthen the Link Between Education and Innovation – Lebanon

AOU signed a Memorandum of Understanding with Inmind Academy, attended by AOU President Dr. Yara Abdallah and Academy President Dr. Joe Tekli. The partnership aims to connect academic knowledge with innovation by providing students with high-quality learning experiences that bridge theory and practice, enhance creativity, and prepare them for future challenges. Through this collaboration, the University seeks to further strengthen ties between academic and professional sectors.

Kaaf Humanitarian Donates to AOU Student Support Fund to Advance Education – Bahrain

Kaaf Humanitarian, led by CEO Mohammed Jassim Siyar, donated to the Arab Open University's Student Support Fund in Bahrain. The contribution, received by University President Dr. Najma Taqi, aims to help students continue their education and reflects both the University's mission to empower individuals through learning and the spirit of volunteer youth turning ideas into lasting social impact.

AOU Holds Orientation Day for New Students – Bahrain

The Arab Open University organized an orientation day to welcome new students, helping them integrate into university life and learn about academic programs, student services, and community activities in a friendly and engaging atmosphere.

AOU Delegation Affirms Alignment with Lebanon's National Vision – Lebanon

A delegation from the Arab Open University visited President General Joseph Aoun to strengthen ties with national institutions. The University's President highlighted the alignment between AOU's educational and research mission and the President's vision for building a state based on law, institutions, and sustainable development. The delegation presented a symbolic sculpture, "The University's Falcon Embracing the Cedar of Lebanon," reflecting the University's belief in education as the foundation of national stability and progress.

Arab Open University Celebrates Teachers' Day – Bahrain

The Arab Open University in Bahrain celebrated Teachers' Day by honoring its faculty members with appreciation gifts, recognizing their vital role in educating future generations and supporting the University's mission to promote knowledge and improve the quality of education.

AOU Hosts Specialized Workshop on the New York Convention and International Arbitration – Oman

AOU in Oman, in cooperation with *Atheer*, held a workshop on the New York Convention and international arbitration. The session, attended by the University President, faculty, and students, was led by Syrian lawyer Ahmad Haddad, a member of ICC Syria and Fellow of the London Court of International Arbitration.

AOU Team Wins Third Place in NASA Space Apps 2025 Challenge – Kuwait

Dr. Salah Saleh Al-Hammadi, Director of the Arab Open University, welcomed Dr. Issa Al-Harbi, Dean of the Faculty of Computer Studies, along with Ms. Amal Naji, Ms. Amal Ghazi, and the *ExoOps* team, winners of the third place in the local NASA Space Apps 2025 Challenge. The competition, hosted by the American University of Kuwait, featured 48 teams from various universities and educational institutions. The winning AOU team consists of five talented students and active members of the TechTalk Club: Ayman Nadeem, Areej Arshad, Hania Hassan, Lillian Montaser, and Moamen Shaikh.

AOU Holds Orientation for Educational Qualification Students Ahead of a Promising Academic Year – Oman

AOU organized an orientation session for new students enrolled in the Educational Qualification Program for the 2025/2026 academic year. The event introduced students to the University's systems, regulations, and services, aiming to help them start their academic journey with confidence and success.

AOU Organizes Workshop on "An Introduction to Machine Learning in AI for Non-Specialists" – Bahrain

As part of its training programs aimed at promoting technological knowledge and awareness of emerging innovations, the Arab Open University's Department of Training, Continuing Education, and Community Service organized a workshop titled "An Introduction to Machine Learning in Artificial Intelligence for Non-Specialists." The session was presented by Mr. Ali Abdulkarim and held at the University's auditorium.
