Launching the International Summit on AI Horizons at the Arab Open University in the State of Kuwait

AOU in Kuwait concluded the International AI Horizons Summit 2025, held from 12 to 13 November 2025, with the participation of high-level officials, experts, academics, and decision-makers. The summit was graciously sponsored by His Highness the Prime Minister Sheikh Ahmad Abdullah Al-Ahmad Al-Sabah, and attended by His Excellency the Minister of Higher Education and Scientific Research, Prof. Nader Abdullah Al-Jalal, representing His Highness the Prime Minister. It was also attended by His Royal Highness Prince Abdulaziz bin Talal bin Abdulaziz Al Saud, Chairman of the Board of Trustees of the Arab Open University, in addition to broad participation from members of the diplomatic corps, government and private institutions, and local and regional universities.

Active Participation and Growing Academic Collaboration Between AOU and MCAST in Malta – Kuwait

An AOU delegation took part in an international conference in Malta titled “Integrating Scientific Disciplines Through Qualitative Research,” presenting three papers that highlight the University’s commitment to qualitative research and international cooperation. The expanding partnership has been significantly supported by H.E. Prof. George Said-Zammit, Malta’s Ambassador to Kuwait, who played a key role in launching the MoU and advancing academic collaboration between the two institutions.

AOU Honored for Supporting Al-Bir Association Programs and Empowering Beneficiaries – Saudi Arabia

His Royal Highness Prince Saud bin Nayef honored the Arab Open University for its significant role in supporting Al-Bir Association’s programs in the Eastern Province and empowering beneficiaries through educational and developmental opportunities. The ceremony, attended by leaders from the development, education, and non-profit sectors, highlighted the University’s impactful community initiatives and its commitment to sustainable development and social engagement.

AOU Participates in the 20th Arab Women in Media Conference – Jordan

Under the patronage of HRH Princess Basma Bint Talal, Dr. Sulafa Al-Zu’bi from AOU’s Faculty of Media and Communication participated in the 20th Arab Women in Media Conference in Amman. In her opening session speech, she addressed the impact of artificial intelligence on press freedom and media independence, emphasizing the importance of equipping Arab women journalists with technical skills and digital literacy to remain influential in the modern media landscape.

Bahrain Bourse Welcomes AOU Students for an Introduction to the Capital Market System – Bahrain

The Student Affairs and Alumni Department organized a field visit to Bahrain Bourse to enhance students’ financial awareness and introduce them to investment and trading mechanisms in financial markets. The Bourse team provided an overview of Bahrain’s capital market ecosystem, which includes Bahrain Bourse, Bahrain Clear, and the Bahrain Investment Exchange platform.

AOU Strengthens Academic and Research Collaboration with New Zealand Universities – Bahrain

Dr. Najma Taqi, President of the University, underscored the importance of expanding international academic and research partnerships to support the University’s scientific goals. This came during her meeting with a high-level delegation from top New Zealand universities, including the University of Auckland, Massey University, the University of Otago, and Auckland University of Technology (AUT).

AOU Student Wins First Place in the Rashid bin Humaid Award for Culture and Science – Oman

AOU extends its warmest congratulations to Abdullah bin Mohammed Al-Kamzari, a master’s student in the Faculty of Education, for winning first place in the 43rd Rashid bin Humaid Award for Culture and Science. The University wishes him continued excellence and success in his academic and scientific journey.

Visit of Prof. Dr. Nermeen Khodr to the Egypt - Japan University of Science and Technology - Egypt

Prof. Dr. Nermeen Khodr visited the Egypt - Japan University of Science and Technology in Borg El Arab, where she met with the university's president, Prof. Amr Adly. The visit focused on exploring opportunities for academic and scientific collaboration, particularly in research and the development and knowledge sharing between the two institutions.

AOU Welcomes the European Accreditation Delegation (HCERES) – Kuwait

The Arab Open University in Kuwait welcomed a delegation from the European accreditation agency HCERES as part of the evaluation process for accrediting the bachelor's programs in the Faculty of Language Studies. The delegation met with the university's leadership and is visiting the Kuwait headquarters and several regional branches. This visit supports the university's efforts to expand international recognition of its academic programs.

AOU Participates in University Fair at Islamic Scientific College Schools – Jordan
